

AMÍ Vegetarian Dog Food

Ami Dog is a complete vegan dog food made with a uniquely soya free recipe.

Key Features:

- ➔ **Hypoallergenic formula**
No artificial colours, preservatives. Using corn gluten as its protein source Ami Dog avoids soya.
- ➔ **Vegan Recipe**
Free from meat, meat by-products, eggs, dairy and their derivatives.
- ➔ **Nutritionally Complete**
No additional feeding is necessary. Ami Dog is a balanced diet, containing all the nutrients a healthy dog needs. Contains Omega 6 and 3 oils - important for the skin, fur, joints, heart, eyes and brain.
- ➔ **Vegetarian Society Approved**
Produced in accordance with Vegetarian Society standards, which also means this product, is non-GMO.

Description:

The unique composition of Ami Dog leaves dogs free from allergic reactions in almost 100% of cases. In Italy where Ami Dog is produced, it is sold as a hypoallergenic food.

Apart from health reasons for avoiding meat, many consumers have ethical objections to buying meat products.

Ami Dog is produced with entirely natural ingredients, without slaughterhouse by-products, food dyes or artificial preservatives.

Ami Dog will keep your dog in perfect health, improving it's shape, hair, and muscular tone.
